- This transaction was executed in multiple trades at prices ranging from \$67.53 to \$68.01. The price reported above reflects the weighted average price. - The number of Performance-Based Restricted Stock Units represents the target number of Performance-Based Restricted Stock Units that were granted to the reporting person on the date of grant, each of which represents the contingent right to receive one share of common stock, subject to the conditions set forth in the award agreement. Per the terms of the award agreement governing the Performance-Based Restricted Stock Units, the number of Performance-Based Restricted Stock Units to which the reporting person may ultimately become entitled ranges from 0% to 200% of the target number of Performance-Based Restricted Stock Units granted, based upon the total shareholder return of the Issuer's common stock relative to its peer group index over a performance period consisting of the two fiscal years ending January 31, 2024, and provided the reporting person remains in continuous service through January 31, 2024.
- Each Performance-Based Restricted Stock Unit represents the contingent right to receive one share of common stock, subject to the Issuer's achievement of certain operational and performance objectives during the fiscal year ending December 31, 2023 and provided the reporting person remains in continuous service through January 31, 2024.
